Dear Mr. Hollifield:

Having in mind the commencement of the second session of the 87th Congress, I believe it appropriate to review the Agency's relationships with the Congress generally and particularly with the Joint Committee on Atomic Energy. For this purpose I would like to meet with you at your earliest convenience.

At that time we could discuss how the Agency should conduct its business with the Joint Committee. Also, I would want your views and suggestions looking toward any improvements. Further, I believe it would be helpful for us to discuss the type of briefings and the nature of the information the Joint Committee will expect from the Agency.

I want to assure you of my fullest cooperation, and I welcome this renewed opportunity to work with you and the members of the Joint Committee.

Sincerely,

SIGNED
